

Internet Safety Presentation for Parents

Silver Lake Regional Middle School will be hosting a very informative and important presentation entitled "Internet and Cell Phone Safety". Our speaker, Plymouth County Assistant District Attorney Ms. Kristen Stone, will provide valuable insights and information, and share strategies on how to safely use present day technology.

When: Monday, March 15, 2010

Where: SLRMS Auditorium

Time: 7:00 PM to 8:30 PM

Who: **Parents and Guardians Only**

Ms. Stone will outline for parents potential dangers on the internet including such things as cyber-bullying, internet predators, unintentional security breaches, the 'sexting' phenomenon, and the risks of posting information to sites such as My Space and Facebook.

Parents who attend this presentation will leave with tools they can use to better protect their children and their own personal information.

Please note that all SLRMS students will be attending assembly programs during the school day addressing this topic. Therefore, this evening presentation will be for adults only!
