

Multi-Sport Boosters at Silver Lake

Multi-Sport Boosters (MSB) has been formed as a means to support the costs of the athletic teams that are no longer funded at SLRHS this 2009/2010 school year. We are dedicated to financially supporting these sports at the high school through the means of fundraising/ donations. MSB's primary mission is to ensure the continuation of and to maintain the positive athletic development experience our youths now enjoy.

At present we represent the following sports: Boys & Girls Lacrosse, Wrestling, Swimming, and Gymnastics. Current records indicate that 140+ of our student body participate in one or more of these sports. We encourage and invite all members of our Silver Lake Regional School District to be part of this mission and help support our School and students achieve their goals.

The following successful 2009 fundraisers have made a significant impact on our fundraising efforts. Thank you to all the athletes, parents and, community members that made it possible.
