

NOTICE TO PARENTS  
(NCLB)

The No Child Left Behind Act (NCLB) requires schools that receive Title I grant funds to notify all parents that they can ask for and receive specific information about teacher qualifications.

As a parent of a student, you have the right to know the professional qualifications of the classroom teachers who instruct your child. Federal law allows you to ask for certain information about your child's classroom teacher, and requires us to give you this information in a timely manner if you ask for it. Specifically, you have the right to ask for the following information about each of your child's classroom teachers:

- Whether the Massachusetts Department of Education has licensed or qualified the teacher for the grades and subjects he or she teaches.
- Whether the Massachusetts Department of Education has granted a waiver so that the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances.
- The teacher's college major; whether the teacher has any advanced degrees and, if so, the subject of the degrees.
- Whether any teachers' aides or similar paraprofessional provide services to your child, and if they do their qualifications.

If you would like to receive any of this information, please call Richard J. Kelley, Principal of Silver Lake Regional High School, at 781-585-3844 ext. 1005
