

It is time for our annual food drive!

This Thanksgiving, more than ever, the donations we provide will be much appreciated by the local food pantries. Thanks to teachers who facilitated class competitions last year, we filled 4 SUVs worth of deliveries. I know we can do it again! Any non-perishable items are greatly appreciated, but cash donations will also be used to purchase gift cards for turkeys. Thanks so much for encouraging your students to participate in this food drive!

Donations can be dropped off by **Friday, November 20th** to Room 2310.

Thanks,
Key Club and National Honor Society
