Back to School Night September 20, 2010

This evening offers an opportunity for parents and guardians to meet their student's teachers and to experience, first hand, how a typical school day operates. Teachers will discuss their class expectations, course descriptions, homework policies, and grading procedures during the time allotted.

There are individual evening conferences scheduled for October 21, 2010 and March 10, 2011. We hope to see you there. Please feel free to contact the school at any time with questions you may have. Enjoy the evening!

The Silver Lake Regional High School Key Club will be holding a bake sale in the cafeteria and coffee will be available from 6:30 PM until 8:30 PM.

Most of you have requested a password and username for access into the parent portal of Power School. That information was mailed this week and should be arriving by Friday, September 17, 2010. Entry into the portal is self explanatory. For those with questions, Principal Richard Kelley, Housemaster James Mulcahy, and Manager of Information Systems Michael Stringer will demonstrate the Parent Portal of Power School at 6:00 PM on September 20, prior to the start of Back to School Night.
