Silver Lake Regional High School offers the convenience of online registration for our sports programs through Family ID. It is a secure registration platform that provides you with a user-friendly and paper free way to register.

Silver Lake Regional High School is pleased to offer the following sports for the Winter 2023-24 Season:

For Tryout Information click [HERE](#).

- Indoor Track Boys and Girls
- Basketball Boys and Girls
- Ice Hockey Boys and Girls
- Swimming Boys and Girls
- Gymnastics
- Wrestling
- Cheer

In addition to pre-registering your student-athlete online by November 21, 2022, students are responsible for meeting the following requirements in order to be eligible according to MIAA and Silver Lake standards:

PHYSICAL EXAM

Provide a copy of a physical examination current to within 13 months of participation **to the Athletic office**. A letter from a physician stating the student was examined and may participate in sports will NOT be accepted unless a copy of the physical examination is included in order to be in compliance with the MIAA.

REGISTRATION FEE

Pay online via PayPal or send a check for the user fee in the amount of \$300.00 made out to Silver Lake Athletics with the student's name and sport noted in the MEMO section. This registration fee is a once per year fee. In the event a student gets cut from a sport, a refund will be processed. Reimbursement could take up to 4-6 weeks. If you anticipate participation during the next season, we can keep a record of your payment on file.

We realize that under some circumstances families may not be able to afford part or all of the user fee, therefore, we provide the option of a partial or full waiver from the fee. If you wish to exercise this option please email Michaela Gill, Principal, explaining your request. Upon approval we will make a note of this in our records.

IMPACT BASELINE CONCUSSION TEST

Every student-athlete must have a completed baseline IMPACT test on file with the school. The baseline is good for 2 years, but must be valid through the end of their Winter season. Please check your FamilyID account for your child's status. We do not collect or accept baseline tests from outside sources. Any student-athlete who needs to take a new ImPACT test will be sent an email to register for an upcoming testing session.

WINTER SPORTS PRESEASON MEETING

Wednesday, November 15, 2023 at 6 PM in the SLRHS Auditorium

STUDENT-ATHLETE ELIGIBILITY

We consider **ALL Students to be ineligible** to play until the Athletic Director has the opportunity to determine that they are eligible. **Eligibility status can be viewed on the FamilyID account profile within the Summary Section** after you complete your online Fall registration. **APPROVED** status means the student is in good standing academically, owes no discipline hours or equipment/uniforms from a previous season. Students who were medically removed from sports participation for an injury must provide a doctor's note clearing for a Fall sport.
